Dear Mr. Mayne:

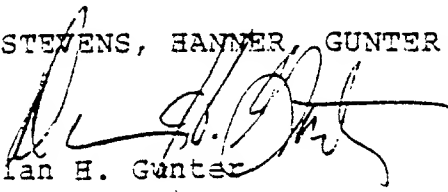

Please be advised that I represent Luther Wayne Hester and have represented Mr. Hester in a certain [REDACTED] dispute involving [REDACTED]. In connection with that [REDACTED] case, certain false allegations were raised by [REDACTED] concerning alleged sexual abuse of [REDACTED] by Mr. Hester. These allegations have been unsubstantiated by the Department of Social Services and the courts and Mr. Hester has been absolved of any and all alleged wrongdoing in connection with these allegations.

Mr. Hester has brought to my attention your letter to him of September 19, 1989 which was hand delivered by you to him on November 1. I understand that the basis for this letter was an anonymous letter raising these allegations which have been fully and completely refuted in the Mecklenburg County Juvenile Court. I find it hard to believe that you would take action against Mr. Hester without more fully investigating the circumstances surrounding these allegations. I would recommend that you make an appointment with me to go through my file concerning this matter so I can prove to your satisfaction that the allegations against Mr. Hester have been shown to be untrue and without legal basis. If you do not wish to confer with me on the matter you may call Dr. William Tyson, the Court-appointed psychologist who investigated these charges and found them to be untrue. If Dr. Tyson's word is not sufficient I am sure that Judge Marilyn Bissell, the presiding judge, would be happy to enlighten you further.

I hope that you will reconsider your actions as evidenced by your letter of September 19 before further intervention on my part becomes necessary.

Very truly yours,

CASSTEVENS, HANNER, GUNTER & GORDON, P.A.

Dear Paul:

I have not heard from you since our telephone conversation of December 29, concerning the above named individual. We wrote you in February, without further response.

I am enclosing a confidential record sheet which I must have completed so we can identify Mr. Hester, should he attempt to register at some other location with the Boy Scouts of America. Please complete this with as much information as you have available. A copy of a paper with Mr. Hester's signature would also aid in the identification process.

If you have not already written a letter suspending Mr. Hester, we would suggest that you do so immediately. This is most important if we are going to prevent further legal action should anything happen after we know of the facts in this matter.

I believe we must work together to protect the youth of America. Please do not hesitate to contact me if you have any questions or problems with which we may be of help.

Dear Mr. Hester:

After careful review, we have decided that your registration with the Boy Scouts of America should not be accepted. We are therefore compelled to request that you sever any relations that you may have with Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of leadership which BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Dear Paul:

We had a conversation on December 29, concerning the above named individual. At that you indicated you would send us more information and prepare a letter to suspend Mr. Hester from registration with the Boy Scouts of America. I have not heard from you since that time.

In order for you to better understand what I have in my file, I do have information from the State of North Carolina, County of Mecklenburg, which indicates that [REDACTED] has been abused in some way while spending weekends [REDACTED]. We also have a statement from the social worker indicating that [REDACTED] has admitted to inappropriately fondling a child from [REDACTED]. This is a notarized statement which we received.

We still feel that Mr. Hester should not be registered with the Boy Scouts of America, and that we should place him on our files as soon as possible in order to make certain that he does not become involved with a youth who is registered and, therefore, cause us serious problems.

Thanks for your help in completing the confidential record sheet which I am enclosing.

Mr. Paul Ernst  
National Council  
1325 Walnut Hill Lane  
P. O. Box 152079  
Irving, TX 75015-2079

Dear Paul:

This week, I received a letter from you requesting that the Mecklenburg County Council suspend Luther Wayne Hester from registration. You advised that this should be done because you had "received information" that he should not be registered with the Boy Scouts of America. My purpose in writing to you is to attempt to clarify this, an apparently new registration policy with the Boy Scouts of America. As I understand it, it has previously been National policy that local councils could determine that persons should not be registered with the Boy Scouts of America and could so advise the National Office; this is the first time I have seen the process work in reverse. It may very well be that I am simply unaware of this system being used, but I must admit that it has taken me quite by surprise.

In no way am I questioning whether the individual should or should not be registered with the Boy Scouts of America. On the other hand, I am unwilling to move to withdraw his registration until I have some facts in hand as to why this should be done. You can appreciate the fact that it puts me and the Mecklenburg County Council in an extremely uncomfortable, and possibly illegal, position to remove somebody on the say so of a third party many miles away. If your office has received information which led you to this conclusion, I would expect that, at minimum, this would be shared with me and the local council would be involved in this decision.

I regret that I must decline to take any action on this matter until I receive clarification from your office as to the policy involved, and the reasons for your request. Please understand that I am not trying to be difficult in this matter, but all of us must make sure that we are on solid ground in acting in such cases. I look forward to hearing from you with further information.

We have deleted him from the National Computer and would ask that you delete him from your local council computer system. He is presently registered in Troop SC154 with ID #034253.

Awhile back I came across a court case so bizarre and so terrible that it needs to be made public knowledge. The case involves one of your assistant scout masters in Charlotte, N.C. There is almost proof positive that the man is a child molester. He is in [REDACTED] at the present time with [REDACTED] over [REDACTED] (a 12 year old). [REDACTED] is the child's natural mother. The child and his mother have been in counseling for some months due to the trauma caused by this man. The man's name is Luther Hester, and he is an assistant scout master at a church on Shamrock Dr. in Charlotte, N.C. Mr. Hester is highly suspected of molesting [REDACTED]. The persons involved with the Boy Scouts at the same church are aware that Mr. Hester is suspected of child molesting, yet they still allow him to work with young boys. Let this be known, If anything happens to any of the children involved with the boy scouts in Mr. Hester's troupe, it will be made public that the Boy Scouts of America had knowledge of this situation and still allowed him to work with children.

IN THE MATTER OF:

Bob Cochran, Petitioner, having sufficient knowledge or information to believe that a case has arisen which invokes the juvenile jurisdiction of the Court, alleges:

1.

That the above named child is eleven years of age and resides in the district at the address shown above, or was found in the district as alleged herein.

2.

That the names and addresses of the child's parents or guardian or custodian are as follows:

3.

The child is an ABUSED, NEGLECTED and/or DEPENDENT CHILD, as defined by N.C.G.S. 7A-517(1), (13), (21), in that upon information and belief, he has been sexually abused by [REDACTED] and/or resides in an environment injurious to his welfare during his [REDACTED]. The specific allegations, stated upon information and belief, are as follows:

1. The juvenile's mother and father are separated and/or divorced. The custody agreement in effect between mother and father stipulates that the child is to reside Monday through Friday with mother and spend weekends with his father.
2. At least as early as January, 1988, and perhaps earlier, the juvenile began exhibiting atypical behavior at the home of the mother, after [REDACTED]. These aberrant behaviors are described in the report of the Family Support Center, which is attached hereto as Exhibit A, and incorporated by reference herein.
3. These behaviors on the part of the child, as described on Exhibit A, led [REDACTED] to suspect this [REDACTED] was being sexually abused by [REDACTED].

4. Upon becoming suspicious of the child's behavior, the mother sought help at the Family Support Center on or about January, 1988. The mother and child have been engaged in counseling and therapy with the Family Support Center since that time.
5. It is the conclusion and professional opinion of the Family Support Center, which has been working with the [REDACTED] and juvenile since January, 1988, that this child is being sexually abused and/or otherwise exposed to an environment extremely detrimental to his mental health, while residing at the home of [REDACTED]. The specific conclusions of the Family Support Center, as well as the factual data supporting it, are spelled out in detail in the report attached hereto as Exhibit A. More specifically, the conclusion of the Family Support Center is that the juvenile is either engaging in anal intercourse with [REDACTED] while residing at [REDACTED] residence or is at substantial risk for such activity. An additional conclusion of Family Support Center is that the child fits the clinical profile of a sexually abused [REDACTED]
- [REDACTED]

7. The [REDACTED] has admitted to inappropriately fondling a [REDACTED] from [REDACTED]

Petitioner prays the Court to hear the case to determine whether the allegations are true and whether the child is in need of the care, protection, or discipline of the State.
